Mr. H. B. Kingsley-Dear Sir: We feel it a duty we owe to the public, to state that Marshall's Catholicon is a medicine invaluable for complaints classed under the head of Female Diseases. We have used your Grafenberg Medicine and have been greatly benefited thereby, so much so, that were the price double we would have them. To the thousand of our sex who are suffering from weaknesses, we would recommend the Catholicon as a sure panaces. It gives strength to the system and enables each of the organs of the body to perform their appropriate functions.

32 The above named Ladies we are personally acquainted with, and know that for several years while we lived in Medina, they were great sufferers. Miss S. has been so badly afflicted that it was with difficulty abe was able to stand upon her feet. A few bottles of Catholicon entirely cured her of her complaints. My wife sectived great benefit from this medicins. We recrumened it to the Ladies of this county as a safe sond efficient remedy for the many complaints they are subject to.
